# Description

## Open Requisition Status

AFSA

- **Three ways to access Open Requisition Status**
  - Open Document Number Query Tool
  - Open Requisition Status Report
  - Daily NMCS Report (NMCS = Not Mission Capable Supply)
- **These tools provide basic Supply Management functions over the web to USAF and customers around the world**
- **Tools allow customer to view customized reports on all open requisitions**
  - Can view a single requisition
  - Can view all requisitions associated with a particular case and/or line of a case

# AFSAC Supply Management - Open Material & Services Tools

AFSA

- **Open Document Number Query**
  - **Research tool for a single requisition** (see Open Document Number Query Tutorial)
- **Open Material & Services**
  - **Reporting tool for all requisitions sorted on a choice of parameters** (see Open Material & Services Tutorial)
- **Daily NMCS Report**
  - **Reporting tool for all requisitions that have been coded NMCS** (covered in this Tutorial)

1 row												

A customized report will appear containing only those parameters that you chose.

Note: A Daily NMCS customized report has to be reconfigured each time you would like to use it. Saving the custom configuration is not available at this time with this report.

Country Code has been erased from example.

# Practice

AFSA

## Now it is your turn:

- Use your own AFSAC Online user ID and password, and practice configuring reports for Daily NMCS requisitions.
- Practice customizing your reports.
- Practice downloading your reports into an Excel spread sheet.
